

East Boston Savings Bank Named a Top Exceptional Local Boston Bank by AdvisoryHQ

Each year, AdvisoryHQ's editorial, research, and ranking teams conduct extensive due diligence to identify, select, and rank the top companies in various industries, including financial services, wealth management, banking, investment management, accounting, consultancies, retail, financial advisory, and education, amongst others.

Our focus is on the everyday consumer. All of our research and top ranking publications are conducted from the end user and consumer's perspective. And, best of all, we publish our top ranking reviews for anyone to view for free.

An Exceptional Local Boston Bank You Need to Know About.

It's easy to get used to banking with the big name banks in Boston, Massachusetts, like Chase Bank or Bank of America. However, it also means you might be missing out on some great rates and hometown customer service from a smaller bank in Boston. Boston is one of the oldest cities in the U.S., being founded in 1630, and was the scene of many events of the American Revolution. Over 20 million visitors a year come to soak in that rich heritage.

You'll find that many of the banks in Boston also have a long history of serving Bostonians and supporting the city. Each bank has a unique style and may offer something you're not currently getting at a larger Boston bank.

A long-time resident of "Beantown" is **East Boston Savings Bank**. They've been serving the area since 1848. Don't let the name fool you, they also have checking accounts, loans, and business banking, just like other banks in Boston, MA.

East Boston Savings Bank at a Glance:

- 35 branch locations in Boston, Massachusetts & surrounding areas
- Named as one of Massachusetts' Top Places to Work by The Boston Globe
- Gives back to the community through the East Boston Savings Bank Charitable Foundation
- Corporate & Institutional banking
- Better Business Bureau A+ rating

They Take Mobile Banking to a New Level

East Boston Savings Bank offers the convenience of online and mobile app banking that people expect from Boston, MA banks. However, they're one of the few that takes 'mobile' to a whole other level.

This bank in Boston has a mobile unit, a "Bank on Wheels," that travels throughout the greater Boston area and can offer banking services pretty much anywhere. This is a big convenience for assisted living facilities, schools, manufacturing facilities, and other places that benefit from their best Boston bank coming to them.

Rating Summary

We rated East Boston Savings Bank a 5 on our listing of the best Boston credit unions and banks. Their innovation with a bank on wheels shows that they truly put their customers' needs first.

Beyond bringing their bank anywhere in the city, they also have 35 locations throughout the surrounding area, which makes them one of the most convenient banks Boston offers.

From their charitable foundation to their full suite of personal and business banking solutions, including free checking, they're a well-rounded local bank in Boston you should check into.
